Albers Campaign Reports Over \$100,000 for Campaign

John Albers, a Republican candidate for State Senate District 56, filed his June 30 campaign contribution disclosure today showing \$100,989.85 in contributions since entering the race less than 2 months ago.

The campaign also announced it has over 200 grassroots leaders signed up to help with campaign activities.

Said Albers, "The amount of support we have received since entering this race has been overwhelming and truly humbling. Families all across north Fulton County are responding to our message of serving our families and delivering on needed reforms. They're rejecting the politics of personal agendas and special interests. It shows in our fundraising success so far. It shows in the hundreds of people volunteering for our campaign. It shows in the events and activities we already have scheduled for the fall and beyond."

"Our grassroots efforts will begin very soon, and I look forward to sharing our message of true public service with every family in north Fulton County. I am personally committed to raising the money needed and devoting the time and effort needed to win this race. What's at stake for our region and our families is too important."
