Endorsements That Matter

Please remember to vote tomorrow. Your vote is important; and it will decide our next State Senator. If you believe in conservative values, no more politics as usual and a business approach to government, I am asking for your vote. Send a clear message we can and must do better.

I have received many wonderful endorsements from Senator Dan Moody, Senator Chip Pearson, Mayor Emeritus Pug Mabry, etc. However, those from our veterans, teachers and protecting life and 2nd Amendment rights are most important.

The record and contrast is clear. Let's get it right.

Sincerely,

A handwritten signature in red ink that reads "John Albers".

John

Senator Dan Moody & Roswell Mayor Emeritus Pub Mabry
